

INTEGRATED CLEANING SYSTEM

TOUCHLESS CLEANING SOLUTIONS

QUICK REFERENCE GUIDE

IMPROVE APPEARANCE & SANITARY STANDARDS, MOTIVATE EMPLOYEES & INCREASE PRODUCTIVITY IN: 4 EASY STEPS

- 1 **Select**
- 2 **Spray**
- 3 **Rinse and**
- 4 **Squeeze** – it's as simple as that!

- Fast, simple set up allows you to quickly start cleaning.
- Choose from up to four cleaning solutions with the turn of a knob.
- Large (12 gal.) fresh water tank cleans multiple restrooms before refilling.
- Reduces per fixture cleaning time.

ELIMINATE THE HASSLE

With the ICS, fixtures, floors, partitions, and hard-to-reach areas are cleaned and properly sanitized. Because the ICS Series is compact and virtually silent, you can clean any restroom, large or small, at any time, making it easier to schedule daily cleaning routines.

The ICS couldn't be simpler to use

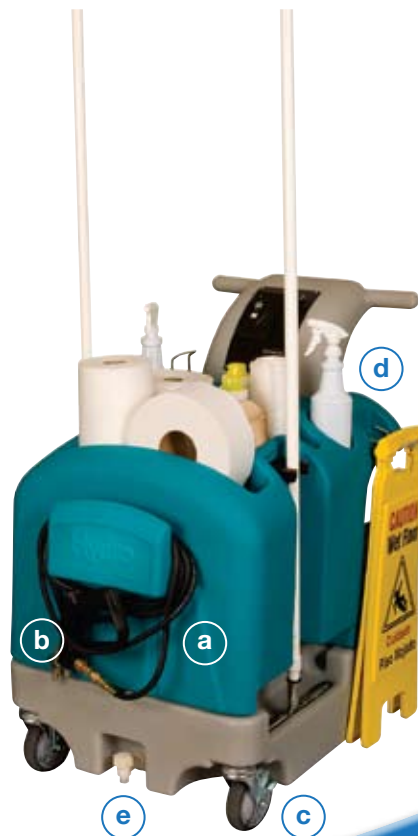

- a With a 15 foot discharge hose for extended cleaning, the spray system range eliminates the stooping, bending, and other physical strains associated with conventional cleaning methods. The ergonomic design allows you to simply point and spray.
- b A dual function nozzle performs both spraying and rinsing applications.
- c Locking front casters provide greater user safety; large rear wheels roll easily over obstacles.
- d Convenient integrated storage compartments ensure you'll have all the tools and supplies you need, right at your fingertips!
- e Simplicity of design reduces ongoing maintenance requirements. Patented Hydro® components are designed for long trouble free service.

IMPRESSIVE RESULTS

With the ICS:

- Restroom facilities are cleaned thoroughly and consistently – even in the most hard-to-reach areas.
- Employees direct contact with germs and other toxins is eliminated
- More time can now be spent focusing on other priorities
- **Patrons are left with a positive impression and look forward to returning**
